

TONE AND MOOD

Attitude and Emotion

TONE

The attitude of the writer
towards the subject they are
writing about.

WHAT IS THE TONE OF THE LYRICS?

My hopes are so high,
that your kiss might kill me.
So won't you kill me,
so I die happy.
My heart is yours to fill or burst,
to break or bury,
or wear as jewelry,
which ever you prefer.

WHAT IS THE TONE?

You think I'm pretty
Without any makeup on
You think I'm funny
When I tell the punchline wrong
I know you get me
So I let my walls come down, down

WHAT IS THE TONE?

Looks like we made it
Look how far we've come, my baby
We mighta took the long way
We knew we'd get there someday

WHAT IS THE TONE?

I can't see me lovin' nobody but you
For all my life
When you're with me, baby the skies'll be blue
For all my life

WHAT IS THE TONE?

We belong together
And you know that I'm right
Why do you play with my heart?
Why do you play with my mind?

WHAT IS THE TONE?

But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
No you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know

WHAT IS THE TONE?

So, so what
I'm still a rock star,
I got my rock moves,
And I don't need you,
And guess what,
I'm having more fun,
And now that we're done,
I'm gonna show you tonight,
I'm alright,
I'm just fine,
And you're a tool,
So, so what,
I am a rock star,
I got my rock moves,
And I don't want you tonight.

MOOD

The emotion or
atmosphere of the
written piece.

WHAT IS THE MOOD?

**For each movie trailer,
decide what the mood is.**
